Dear Mr. Mehan:

This is to notify you, pursuant to § 3008(a)(2) of the Resource Conservation and Recovery Act (RCRA), that the Environmental Protection Agency (EPA) plans to issue a 3008(a) Complaint, Compliance Order and Notice of Opportunity for Hearing to Knapheide Manufacturing Company of West Quincy, Missouri (EPA I.D.# MOD000766998). The complaint will be included in EPA's national targeting initiative, which is scheduled to take place on February 4, 1992.

The high priority violations at Knapheide Manufacturing were identified during RCRA compliance evaluation inspections on September 25, 1989, and March 25, 1991, conducted by the Missouri Department of Natural Resources and referred to EPA for Enforcement Action on August 30, 1991.

If you have any questions concerning this matter, please contact Ruben McCullers, of my staff, at (913) 551-7455.

Sincerely,

David A. Wagoner
Director, Waste Management Division
